

Outdoor Classroom Day

Thursday 18th May

(Afternoon only after SAT's)

Building on the success of the **Early Years Project Dirt Day and Forest Schools** our aim is to get as many children as possible playing and learning outside on Thursday 17th May

This day will be a celebration of what are doing already and a chance to inspire everyone to get involved. Outdoor Classroom Day will act as a catalyst for **more time outdoors every day!**

Children will need to bring in a coat and spare clothes in a named bag to change into after lunch

It's going to be a mud-luscious Day!

Early Years will be using this opportunity to join thousands of schools across the country; we aim to continue to raise some funds for our ongoing development of the outdoor area.

(Sponsor Forms will be sent home to Early Years Parents and Carers only)
