

St Wilfrid's C.E. Primary School

PE Sport Premium Funding

2019 – 2020

Review date: January 2020 and July 2020

Primary PE and Sport Premium at St Wilfrid's C.E. Primary School

2019 – 2020

Vision for Primary PE and Sport Premium

The Department of Education's vision for the Primary PE and School Sport Premium is that:

All pupils leaving primary school **physically literate** and with **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs, e.g. the Change4Life clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in the School Games
- run sports activities with other schools"

Primary PE and Sport Premium

PE (Physical Education) and school sport plays a very important part in the life at St Wilfrid's C.E. Primary School. *"Leaders use the primary school physical education and sport funding effectively to extend the expertise of staff and to increase the range of opportunities for pupils. The school has achieved a national silver award for its work in this area and is now aiming for a gold award."* (Ofsted, 2019)

We believe that PE provides children with:

- A lifelong positive attitude to exercise and a healthy lifestyle
- Increased understanding of our Christian values which includes respect, friendship and achievement.
 - Opportunities for sportsmanship, fair play and equality for all
- Physical skills for sporting opportunities across their primary education and beyond
- An opportunity to experience success beyond the academic area

Our overall aim is to raise standards in PE and school sport, increasing the participation and opportunities offered to our children. We aim to provide higher quality lessons and improve learning for all. This means extra coaching for teachers as well as the children so staff are well prepared to teach a wide range of sports skills. St Wilfrid's C.E currently has £18,500 of PE Sport Premium funding, the figure was increased in October 2017. Our plans for the use of the PE Sport Premium can be found on the following two pages. The impact on the use of this funding will be reviewed in January and July 2020.

Extra Curricular Activity

“Pupils have the opportunity to take part in a wide range of sports clubs. The school also organises whole-day events to introduce pupils to activities such as fencing, which they might not otherwise encounter. Care is taken to ensure that disadvantaged pupils take a full part in this programme.”

“The pupils who met with the inspector were very enthusiastic about the wide range of sporting and other extra-curricular activities available to them.”
