Dear Parents and Carers,

I should start with a Welcome Back & Happy New Year, as this is officially our first Newsletter of 2021 and what a way to start! Many of you have had information from myself, other members of SLT and staff, together with phone calls, home visits etc. I am going to keep my news as short as possible at the moment, as you can appreciate we are still focusing on DfE guidance which changes very regularly.

Similar to when we had bubble closures last term, myself and Miss Bartlett are currently updating a Question and Answer sheet to answer questions, staff have individually been asked or if any concerns have come to me. I am hoping this will come out today/over the weekend through Dojo.

On this note, communication with families is challenging at this time and we urge you to please check your Dojo messages, as this is the most favoured point of contact with the school. Please check regularly and read all communications from the school. This is our main way of getting information to you at the moment and whilst we are missing face to face contact, it is very important that you continue to check. Please email admin@st-wilfridscofe.manchester.sch.uk or phone **998 3663** if you are not receiving messages and we can check we have your correct information.

I would like to say a huge thank you for your support, which together with the staff, we are so lucky to be working with and leading you through this current lockdown. Like with everything else we have had to go through, this community has once again shown resilience, hard work and a sense of togetherness and I thank each and every one of you for your support and words of encouragement!

The staff and I have worked hard to ensure that provision both at home and in school is of the highest standard and all our children and their families have access to the support they need, both academically and with their well being. Please do reach out to us if you need it - you can reach out to your parent governors, Ms Chioma Ibe and Ms Kate Meredith, the class staff or any member of SLT and as many of you are doing, through your own support network through your WhatsApp groups. We can do this! More updates will come through and I will communicate this with you.

Have a lovely weekend, Helena Miller

Dinner Money Increase

Please note—the cost of a school meal has gone up to £2.30. This started on 5th January.

★ Star Pupils ★
