

**Why reading with your child most days is crucial for
practise, and to accrue “reading miles”.**

Olivia reads for 5 minutes
two days a week.

In one week

10 mins of reading.

In one month approx

40 mins of reading.

In one year approx

480 mins of reading.

**By the end of year 6
approx**

3,360 mins of reading.

Marielle reads for 10
minutes 5 days a
week.

In one week

50 mins of reading

In one month approx

200 mins of reading

In one year approx

2,400 mins of reading

**By the end of year 6
approx**

**16,800 mins of
reading.**

Which child would you expect to read better?

Which child would you expect to have greater general knowledge?

Which child would you expect to write and spell better?

Which child would you expect to understand/use diverse vocabulary?

Which child would you expect to be more successful in school and life?
